Street address:
19 -31, Chodakowska Str. [off Grochowska Str.]

We are located close to Warsaw East (Warszawa Wschodnia) Train Station. Warsaw East should be your destination whether you arrive by air to F. Chopin Airport and board the train there, or directly by a long distance train. It is just two tram stops from there along Grochowska Str., Eastbound.

If you have some special needs upon your arrival, please do not hesitate to let us know beforehand. We will be pleased to help you at best of our capacity.

City transport

Warsaw has excellent system of public transport: 2 metro (subway) lines, many trams and buses. They have electronically controled schedules, arrive at time and their stops are indicated verbally, sometimes announced in English. We suggest that you purchase a 3-day (72h) ticket (Bilet 3-dniowy normalny) just for 36 PLN [8.00 Euro], which is a good bargain.

It will allow you access to all means of transportation for the period of conference duration. During the first journey the ticket should be validated immediately after boarding the vehicle.

Other tours

**Warsaw by the river at night** - this will be an evening attraction on Monday, July 17; boarding at 20.00. So far, it has attracted the largest number of participants but there will be a chance on Sunday - Monday to register on site.

**Kraków - Auschwitz - Wieliczka** - it is a highly recommended, post-conference tour, July 20 - 22, for those of you who are not in a hurry to catch your return flight. You may still enroll on site, at the reception desk (at 250.00 Euro).
Sunday, July 16th Opening Ceremony

The Opening Ceremony will take place on Sunday, July 16, at the University Campus, at 18.30. Unless the weather is against us, it will be organized at the university courtyard. We have a rich cultural program, so it is planned for 90+ minutes. Reception will be served immediately after the cultural performance.

Conference Dinner & Dance

Dinner Dance is a social event that we always look forward to. We will have it on Tuesday, July 18, at 20.00, at historical Warsaw Citadel. Dinner will be served first and disco-dance will follow the official part of the evening, in the best IACCP traditions (till midnight, for those whose energy knows no limits).

Three full days of conferencing

There will be three full days, Monday - Wednesday (July 17 through 19) of conference activities. The program is very tight. Each day we will start at 8.30 with a keynote lecture. There will be 6 keynotes all together, and 2 panel discussions; 33 symposia and a similar number of individual paper sessions. The program will be sent to you shortly.

Keynote speakers and symposia conveners/chairs, please provide us with your presentations day before your sessions (at the reception desk).

IACCP Code of Conduct

For international conferences, Interpersonal and organizational climate are of no less importance than scholarly excellence. Hosts are held more responsible for the former than for the latter. As the organizers of 9th European IACCP Conference, we take this task seriously, supported by the Code of Conduct that the Executive Committee has prepared recently. Please read this document:

*IACCP, Inc. (IACCP) aims to stimulate productive, enjoyable, and safe experiences at its conferences, Culture and Psychology Schools (CPS), and other professional events sponsored or represented by delegates of IACCP. We are dedicated to encouraging an environment of collegiality and mutual respect for all members, who represent diversity in nationality and ethnic background, sex, gender identity, affinity orientation, age, abilities, appearance, and religion. Attendance at an IACCP-sponsored meeting or activity, including
any extracurricular activities that occur during IACCP-organized events, requires that all registered individuals and guests follow a code of conduct that stipulates that you will: 1) treat others with respect and 2) not engage in discrimination, intimidation, harassment, and/or abuse at these events or at any social activities associated with, or occurring during, these events.

IACCP discourages relationships that may create an appearance of impropriety. IACCP does not tolerate behaviors that threaten a person’s career or sense of safety. IACCP welcomes members to share observations, concerns, or experiences that were distasteful, unsettling, or inappropriate. IACCP affirms that it will take all concerns seriously.

Our more detailed code of conduct can be found at: [http://www.iaccp.org/node/703](http://www.iaccp.org/node/703)

Final word: Welcome home of the IACCP Warsaw2017 Conference

As the Conference approaches to our doorsteps, we the host-organizers, are ready to welcome you all, by facilitating conditions for productive academic discussions and providing memorable personal experiences.

Have a safe journey to Poland!
