Travel Awards. This announcement is not only about registration expenditures. We remind you of a unique opportunity offered by IACCP for the first time at the regional level: Conference Travel Awards to prospective participants from lower income countries. We have had, so far, less applicants than our resources would permit. Please submit your application for Conference travel grant through <http://www.iaccp.org/node/669>. IACCP colleagues and Regional Representatives, please encourage new members to seize this opportunity! We have still 2 weeks to go!
