

**Renewed Call
for
Travel Awards
for the
9th European Regional Conference
of the
International Association for Cross-Cultural Psychology
(IACCP)
Warsaw
July 16-19, 2017**

IACCP offers travel assistance to IACCP members (current, **renewing, and new**) to facilitate their attendance of the 9th European Regional Conference. Travel awards are meant to, in particular, support members from those European countries that would otherwise not be represented at the conference.

The application procedure is still open. You can submit your application at <http://www.iaccp.org/node/669>. You must be a member of IACCP by the time you submit your application. New members: Please go to www.iaccp.org/newmember to complete a membership form. You have to become a member for 2017 and 2018 to be eligible to apply for the travel grant. Once having applied for membership you will hear back from the Treasurer's assistant as to how you may pay your membership dues to complete the process. Membership dues information are presented here: www.iaccp.org/node/67. Renewing members: Please go to www.iaccp.org, enter your username and password and follow the link "pay dues or update self" and update/renew your membership.

The deadline for submissions is **April 30, 2017**.

Your application must encompass a realistic budget of your assumed expenses for participating in the 9th European Regional Conference of IACCP.

If the total sum requested in the applications will exceed our budget, a selection will be made by a selection committee. The selection committee comprises Patricia Greenfield (Past-President), Paweł Boski (conference organizer), Sharon Glazer (Treasurer), and me (President-Elect) as its Chair. Incoming Treasurer Brigitte Armon will participate in deliberations as a non-voting committee member.

Decisions will be influenced strongly by the "relative level of need" (IACCP Constitution Article 2.7.2.4) of each applicant. Travel assistance is offered as a refund against receipts and original proof of payment. If you are a new member and have not been able to submit your payment before you apply for a refund, your membership dues for 2017 and 2018 will be deducted from the refund you are to receive. The selection committee informs successful applicants shortly after the application deadline about the maximum travel assistance they are offered.

I am available for further enquiries (email address below).

Best regards
